Subject:- Road Fund allocation to the Civil and Military Station, Bangalore, for the years 1946-47 and 1947-48 (prepartition)

Sir,

I am directed to refer to your letter No.14011/VI-10-48-5, dated the 31st May 1949, and to say that the Governor General is pleased to place at your disposal a sum of Rs.20,625 (Rupees twenty thousand, six hundred and twenty five only) from the Central Road Fund, representing the annual subvention (Rs.15,000/-) to the Civil and Military Station, Bangalore for 1946-47 and the proportionate subvention (Rs 5,625/-) for 1947-48 (pre-partition), for payment to the Municipal Administration

2. In this connection, I am to invite a reference to para 1(5) of this Ministry's letter No R-1(10)/48, dated the 31st May 1949 addressed to the Chief Secretary to the Government of Mysore. In accordance with the decision embodied therein, the share of the Civil Station, Bangalore, will, with effect from the Road Fund distribution for 1947-48 (post-partition), not be calculated separately but that the petrol sales in that Station will be added to the petrol sales in the rest of Mysore and the share of Mysore worked on the basis of the aggregate figure of sales It will therefore be for the Mysore Government to decide whether the annual subvention of Rs 15,000/- should continue to be paid to the Civil Station, Bangalore, in respect of 1947-48 (post-partition) and subsequent years and, if it is decided by them to continue the payment, it will be for that Government to make direct payments to the Municipal Commission from their own Road Fund Allocations for the corresponding financial years.

Yours faithfully,

Ghosh
